❖ Our VISION

To be a unique Company of choice, pursuing excellence through dedication, experience and qualified employees with an ongoing passion to deliver quality services, competent, reliable and a respected company in our field of operations.

Our MISSION

Website: www.sayotechnicalsolution.com

To deliver high – quality, cost effective services on schedule by employing and supporting knowledgeable, trustworthy, passionate, flexible and focused performance driven professionals We do this with an ongoing commitment to safety, quality and teamwork.

❖ Our CORE VALUES

Sayo Technical Solution Ltd culture is defined and driven by the following values:

☐ Safety and environment protection :

Safety is our number one responsibility because people come first. We are environmental friendly and we ensure safe healthy work environment and a" zero injury" culture.

□ Employees :

We believe in the unlimited potential of people empowered, engaged, and focused on a common mission.

☐ Customers:

We believe each customer is unique. We listen closely to their needs and collaborate to deliver their needs. With passion, we combine our energy, knowledge and talents daily to deliver the services that exceed our customer's expectations.

SAYO TECHNICAL

□ Integrity:

We believe that honesty and candor are the foundation of integrity and trust. We build mutually beneficial relationships with our customers, consulting engineers, suppliers, fellow contractors and all relevant statutory and regulatory institutions. We believe that success is the byproduct of doing the right thing

□ Knowledge / continuous learning :

We believe that knowledge empowers and learning leads to change and growth of individuals and organizations. In our drive for continuous improvement, we encourage our employees to take risks, look smarter ways of work, seek new ideas, reduce waste, and use resources wisely.

□ Continuous improvement

We believe that everything can be done better, faster and more effectively in an environment that strives for excellence. We encourage our employees to constantly look for new ways to create value for our customers.

Positive attitude :

We perform our work with a positive 'can do" attitude.

❖ OUR SLOGAN: WE LISTEN, SOLVE, DELIVER
